01276174610

maadi, Cairo, Egypt

I am Ahmed Tarek, a recently graduated Frontend Developer and freelancer with expertise in JavaScript and React. I create responsive, user-friendly web applications with high-quality, maintainable code. My innovative solutions and dedication to client satisfaction make me a valuable asset to any development team.

## Work Experience

### Data Analyst

Feb 2024 - Present

*EVARA GROUP | Cairo*

- Coordinated the preparation and submission of employee CVs for tenders using company templates, collaborating with a team of 3 engineers.
- Demonstrated proficiency in task delegation, ensuring effective division of responsibilities among team members.
- Maintained adherence to project schedules and deadlines, consistently delivering projects on time.
- Created and managed a comprehensive table containing customer and employee data, uploading it to a hosting platform for convenient access during new projects in the Kingdom of Saudi Arabia.

### Frontend Developer

Mar 2023 - Present

*Freelance*

- I am a highly skilled Frontend Developer and freelancer.
- I specialize in JavaScript and React, consistently delivering top-tier, responsive web applications with clean, maintainable code.
- I have worked on diverse projects, such as an e-commerce platform with secure authentication and a dynamic blogging platform optimized for SEO.
- My innovative solutions and dedication to client satisfaction make me a valuable asset to any project.

### Accountant

Jul 2021 - May 2023

*AINOUR PIPE*

- Managed accounting functions including financial transactions, import-export activities, and client communication regarding balances.
- Conducted daily inventory checks to mitigate financial deficits and ensured weekly debt confirmation with clients.
- Oversaw the recording of employee attendance, deductions for advances and vacations, and disbursed salaries.
- Utilized both paper and computer-based systems, particularly Excel, for accurate transaction recording and analysis.
